IMPORTANT

1. Contact an Accommodations Coordinator ahead of time if you need to arrange an alternate start time. If exams go past office hours, they will be started at the time indicated on the booking form and will end at 4:00 pm. Disability Services will not email students with an alternate start time.
2. 7:00 pm exam start times will be adjusted to ensure that students complete writing by 9:00 pm. Students will not be allowed to leave the Disability Services Office until 7:15 pm.
3. Please arrive 10 minutes prior for scheduled exams. Start and stop times will be strictly followed and time lost will not be added to the end of the exam. If students arrive more than 30 minutes late, they will not be allowed to write and the exam will be returned to the instructor.
4. To maintain exam integrity, students are required to stay in the Disability Services Area for 15 minutes after the class' start time.
5. Incomplete forms will not be accepted. Please check e-mails daily in case Disability Services needs to contact you.
6. If you have any questions about the form or need assistance filling it out, please speak with one of the **Accommodations Coordinators**.
