

Hello TRU Students,

I'm Mishal Nizar, currently pursuing a Post Baccalaureate Diploma in International Business, and I'm excited to be a part of this election campaign. I believe we have the potential to make real changes to the university's academic environment, and I'm eager to engage in meaningful discussions with all of you to address the areas that need improvement.

Over the years, I've had the privilege of volunteering with several organizations in Kamloops, such as The Mustard Seed, Tourism Kamloops, and Brewloops. I'm also a proud member of the TRUSU Blood Club. Through these experiences, I've learned that we are all part of one big family here at TRU.

If I'm elected, here's what I promise to focus on:

- Collaborating on policies that will enhance TRU's educational programs, ensuring they align with the university's standards and goals.
- Speaking up about the increasing tuition fees that affect all of us.
- Pushing for more free study resources to support students' success.
- Working toward fostering a more ethical environment at TRU.

Together, we can make a positive impact!

Your vote matters. Vote MISHAL NIZAR for TRU Senate, and let's create a better academic experience for everyone!
